MENTORSHIP PROGRAM

We have a great opportunity for all The First Tee participants 13 and over! Our 2018 Kraft Heinz Mentorship Program is set to begin, and we know you will want to be a part of it. The Kraft Heinz Mentorship Program will offer up to 16 The First Tee participants with an opportunity to gain insight into what it means to be a business executive by meeting, mingling, and playing golf with Kraft Heinz and Walmart Executives through our interactive mentorship program.

To apply for the Kraft Heinz Mentorship Program, a participant must be registered in The First Tee and actively taking part in classes. To be considered, the participant must fill out the application below. Your completed application must be returned to The First Tee office by April 20.

2018 brings exciting changes to the Kraft Heinz Mentorship Program! Participants chosen will participate in four different activities over the course of the summer. The first activity will be a planning luncheon for the participants and their prematched mentoring Executives. This will be an opportunity for the participants to discuss playing strategies for their upcoming golf match.

The second activity is a 4 person scramble with the same assigned group at Shadow Valley CC. Core Value speeches have taken place at the scramble in the past, but this year the speeches will occur on a separate date at the Kraft Heinz executive offices, as the third activity of the program.

The final activity will be a Celebration Event at The First Tee Learning Center where the participants will oversee a skills challenge for the Kraft Heinz and Walmart associates to participate in.

The 16 chosen participants will be divided into two groups, and activities will have alternate dates based on the group assigned. PARTICIPANTS MUST NOTE ON THEIR APPLICATION ANY OF THESE DATES THAT ARE KNOWN TO BE CONFLICTS, IN THE EVENT THEY ARE SELECTED.

The following dates have been scheduled for the groups:

Group 1 - (Activity One) June 13 or 14, (Activity Two) June 16, (Activity Three) July 12

Group 2 - (Activity One) July 18 or 19, (Activity Two) July 21, (Activity Three) July 26

Both Groups - August 10 for the Celebration Event (Activity Four)

Additional activities may be added throughout the summer as we look for opportunities to involve the participants in business outings that correlate with the answers to #5 in the Short Answer portion of the application.

We are excited about these upcoming changes and can't wait to get started! Send your application to brian@thefirstteenwa.org.
